VIRGINIA PARK LODGE
A RICHARD CORRIGAN ESTATE

“A beautiful hunting lodge located in the heart of the Cavan countryside, a triangle of Ireland people don’t visit enough. In its 400 years of history, there has only been three owners and I am very lucky to call myself the fourth. My intentions were never a hotel, but rather a “hometel.” It’s a cross between a country house and the efficiencies of a great hotel with a real sense of your own home and your own staff.”
