INTRODUCING
**RICHARD
CORRIGAN**

AWARDED TWO MICHELIN STARS,
QUADRUPLE WINNER OF THE GREAT
BRITISH MENU, CATERER TO THE QUEEN,
OBAMA'S AND THE CONCORDE...

Virginia Park Lodge is an authentic showcase of Chef Corrigan's values; sourcing local, sustainable and seasonal produce from independent suppliers - including our very own gardens and produce.

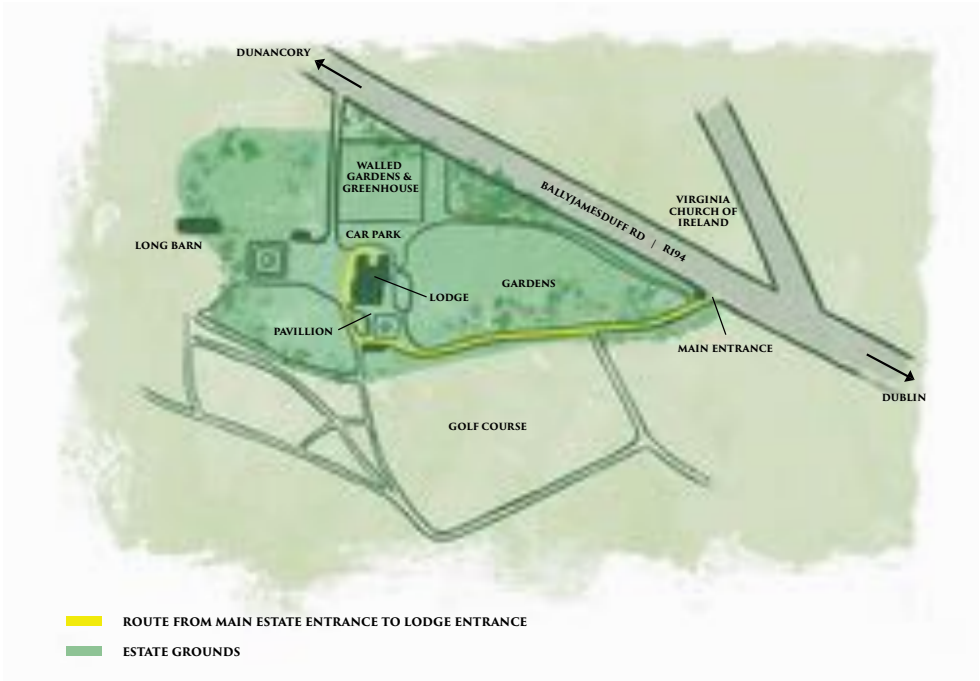

These values can be seen amongst his other ventures in London; Bentley's Oyster Bar and Grill, Corrigan's Mayfair, Daffodil Mulligan and The Portrait Restaurant at the National Portrait Gallery.

“

My intentions were never a hotel, but rather a “homotel.” It's a cross between a country house and the efficiencies of a great hotel, but with a real sense of your own home, your own space and your own staff.

TESTIMONIALS

“

5 star luxury and the stunning setting up at Virginia Park set the stage for a remarkable event, but it is Ciaran and his team that make the experience at Virginia Park truly exceptional. World class cuisine, professional and polished service, and nothing is ever too much trouble. The Pavilion was an ideal venue for our leadership conference and roaring fires in every room in the lodge make the atmosphere incredibly welcoming and cosy, the perfect setting for post conference relaxation. We couldn't recommend this venue high enough for the corporate market. A huge thank you to Ciaran and his dedicated team, for the flawless execution and such a successful leadership event. We are very much looking forward to the next opportunity to work together.

All of the journalists were raving about the choice of location and the quality of the dining so we can't thank you enough, everything went off without a hitch and we all thoroughly enjoyed our night with yourselves. Thanks again – I look forward to hopefully joining you guys for another event down the line!
